Location: London, United Kingdom

PROFESSIONAL PROFILE

MSc graduate in Robotics and Artificial Intelligence from London Metropolitan University, with a BSc (Hons.) in Computer Science and Engineering. Academic background in robotics, artificial intelligence and computing, with experience of technical study, problem solving and project-based learning. Interested in professional opportunities across robotics, AI, software and related technology disciplines.

WORK EXPERIENCE

Dreamweave Stations

[2023 -2025]

Software Engineer, Chittagong, Bangladesh

Dreamweavestations.com

During this period, I have worked on various types of web applications specially developed whole systems using MERN and delivered to clients. More than 15 foreign and local projects were completed within this timeframe.

Allied Computer Streams

[2022 -2023]

Vice president, BGC Trust University Bangladesh.

Led and coordinated student-led academic, technical and extracurricular initiatives, supporting event planning, team management and collaboration across the university community. Worked with executive members and faculty members to organize activities, promote student engagement and strengthen communication among members and wider community.

EDUCATION

MSc in Robotics and Artificial Intelligence

Completed | 2025-2026

London Metropolitan University, London, United Kingdom

Student ID: 25005206

BSc (Hons.) in Computer Science and Engineering

2019 - 2023

BGC Trust University Bangladesh

Student ID: 190233022

SKILLS

Technical: C, C++, Javascript, Python, NextJs, MongoDB, Postgree Sql, NodeJs

Software & Tools: Git, Github, Google colab, VS code, MATLAB, Illustrator, Premier pro, Blender, Unreal engine

Professional: Machine learning, Artificial Intelligence, Computer Vision, Web and app development

CERTIFICATIONS & TRAINING

Web Development with MERN Stack - Programming Hero (2022 - 2023)

Intensive Certified Robotics Course - Japan-Bangladesh Robotics and Advanced Research Center (2020)

SELECTED ACHIEVEMENTS & ACTIVITIES

Best Designer Award - Summer Tech Fest, BGC Trust University Bangladesh (2022)

Intra-University Programming Contest participant (2022 and 2019)

Best Innovation Award, 2nd Place - Ship Accident Prevention System, Winter School, BGC Trust University Bangladesh (2019)

LANGUAGES

English – Fluent

Bangla - Native

Hindi - Conversational
